## Qualified Interior Designer

“You can trust us. We will not let you make a mistake. We have the education and experience, essential to providing expert advice. Our friendly, approachable personalities allow you to feel comfortable in asking any question. We provide answers with explanations that will give you confidence in your decisions.

### **Cecile Panton, Owner and Interior Designer**

We will assist you in creating a lifestyle for your home that inspires, relaxes and surrounds everyone with comfort. Functional and aesthetically pleasing interior design is the result of detailed planning, and this is possible on any budget. With our assistance you will be able to get maximum benefit from every dollar spent.”

## Excellent Customer Service

We don't disappear after the sale. Our policy is to be present at each delivery to your home, to supervise the correct positioning and placement.

Decorating style, budget and items for the project are evaluated together. Our clients know that they will always find us ready to listen to any concerns, and to assist them with sound practical solutions.

## Fine Furnishings & Accessories

Our showroom provides fine furnishings and beautiful accessories, ready for immediate delivery. Hundreds of additional items are available for special ordering, direct from manufacturers that we have known for years.

We handle all shipping issues, customs clearing and provide free delivery and installation saving you the headaches. Some manufacturers that we deal with are Bernhardt, Broyhill, Drexel, Lane, Century, Stanley, Lexington,, Ficks Reed and many more.

## Draperies, Bedding, Upholstery

Custom window coverings, bedding, and upholstery are created by experienced personnel, in our facilities on the premises. This allows our quality control to be unsurpassed.

We stock an array of designer fabrics, and receive special orders within 14 days. Once fabric is received we fabricate the items in just three to four days. We always prepare meticulous quotes in a timely matter, so there are no surprises.

## Remodeling and New Construction

Space planning, lighting design, and specifying finishes, are among the many decisions we are qualified to assist you with, by providing valuable input. We offer site supervision on installations to ensure that things are being done as planned. Space planning, furnishings and window coverings can be determined and planned for during the architectural drawing stage, to eliminate costly changes. Items may be ordered and ready to deliver just as soon as needed.

## Trust, Integrity, Professionalism

Cecile Panton completed studies from the Art Institute of Chicago, in Interior Design. Throughout her 40 year career as an Interior Designer, she has taken courses and is currently taking architectural classes. Continuing her education has always been important to her. The benefit to her clients is having all the latest methods, and knowledge available to them.

Cecile has both commercial and residential projects to her credit. Clients know that she looks after their best interest, first and foremost. They rely on her professionalism and continually refer their family and friends. Cecile serves the community as an active member of The Cayman Islands Beautification Committee.
